Meals:

On arrival morning tea will be available. Lunch will be provided on Thursday and Friday.

On Thursday after the match there will be some nibbles and the bar will be open for some relaxing time.

For those who pre-ordered, dinner will be at 5.00pm in the clubhouse.

Prizes:

This year **The Plymouth Hotel** has donated our first prize worth over \$600 for the winning pair.

Our other prizes will be made up of specific cash amounts and also a pick of the table, depending on the winners placing.

Day One – 36 holes played as 2 rounds of foursomes.

Tee off will be 8.30am and we will have a welcome in the clubhouse at 8.00am.

Both rounds will have “Closest to the Pin” holes on the 4th and 9th.

First Round:

Canadian foursomes (Both players tee off, select the preferred drive, then the player who's ball is NOT chosen plays the ball from there, alternate shots thereafter, using stableford scores).

Each player has a minimum of 7 drives used) with a break for lunch.

As we will be using multiple tees (see the attached draw) transport is available to ferry players and their clubs to those tees that are across the course, if needed.

Second Round:

General foursomes (Alternate shots with the same ball - one player tees off on odd holes, the other on even, stableford points used).

After finishing lunch, tee off will be from the 1st and 10th tees as they become free.

Day Two – 18 holes individual stableford round. Tee off will be from 9.00am.

“Closest to the Pin” holes on the 4th and 9th.

Longest Drive (on the fairway) on the 10th hole.

“Second hit into the Ring” on the 11th hole there is a ring around the pin. If you land in the ring with your second shot – write your name on the board at the side of the green – everyone on the board goes in the draw for the prize kindly sponsored by **Butlers Reef Hotel**.

Remember to bring your cash for a great selection of raffles. Don't forget to check out our sponsors page – this tournament would not be possible without them.
